**7. FLEET NEWS, 90 FLEET ROAD, LONDON, NW3 2QX**

Consideration was given to a report of the Executive Director Supporting Communities detailing an application for a new premises licence under Section 17 of the Licensing Act 2003.

The Licensing Officer introduced the report and stated that one relevant representation has been received from a local resident group. The Licensing Officer clarified that the hours policy was engaged on Sunday as the proposed terminal hour was 23:00hrs, which was 30 mins beyond framework hours.

The applicant, represented by Surendra Panchal, reported that amendments had been made to the hours requested, as follows:

**Off Sales**

08:00hrs – 23:00hrs Monday to Saturday

10:00hrs – 22:30hrs Sunday

The interested party, Marc Hutchinson representing the Heath and Hampsted Society, summarised their written submissions, as set out in the agenda.

The interested party responded to questions as follows:

- During the week, sale of alcohol should not be permitted before 10:00hrs because of the nuisance drinking on Southend Green.
- Any restrictions on early morning sales would make a difference to public nuisance from street drinking, as people had been observed drinking in the area as early as 08:00hrs, having purchased alcohol from shops which were licensed to sell alcohol in the morning.
- In relation to street drinking, late hours did not seem to be such an issue, as the people street drinking had usually dispersed by the evening.

## *Licensing Panel B - Thursday, 12th December, 2024*

Surendra Panchal, representing the applicant, provided an overview of the application and responded to questions as follows:

- The premises licence holder was an experienced operator who ran licenced premises in another London Borough. All premises were run responsibly and promoted the licensing objectives.
- The CCTV would be operated responsibly, and footage will be made available to the police or other responsible authority on request.
- The shop had been operating for 10 years already without issue, however the owner wanted to expand the shops offering and so had applied for a premises licence.
- The applicant had been in touch with the objector and had attempted to compromise.
- If the licence holder did not operate the premises responsibly there could be a review and a risk that the licence was revoked.
- The applicant was agreeable to adding a condition that stated the premises would not offer for sale any high strength beers, lager and ciders above 6.5%.
- As a responsible business owner, the applicant would abide by any conditions or amended timings that the panel imposed, including conditions that promoted the safety of women and girls.
- It was expected that only around 10% of the shop's stock would be alcohol.

The interested party and applicant made some closing remarks.

### **Deliberation and Reasons**

Panel Members confirmed that they had been able to follow and understand the submissions and discussions in relation to the application.

In deliberation, the Panel considered the representations by the interested party and the information provided by the applicant's representative.

The Panel noted that the premises was not situated in a cumulative impact policy area and due to the amended timings, was now within the council's framework hours policy. It was also considered significant that the Responsible Authority's had not submitted representations.

The Panel discussed adding additional conditions relating to women's safety and the 'Ask for Angela' scheme and preventing the sale of strong beer and cider above 5.5% ABV as highlighted in the council's statement of licensing policy instead of the 6.5% offered by the applicant. The Panel considered these additional conditions would be appropriate and would uphold the licensing objections.

Overall, the Panel were satisfied that, with the amended hours and additional conditions, the application would uphold the licensing objectives and could be granted.

Specifically –

Publicity in respect of item 7 would be likely to lead to the disclosure of information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime by virtue of Category 7 of Schedule 12A of the Local Government Act 1972 (as amended).

**Part II**

Consideration was given to a report of the Executive Director Supporting Communities relating to a review of a premises licence under Section 53A of the Licensing Act 2003.

The Police as applicant for the review, the Licencing Responsible Authority, and the Premises Licence Holder set out their case to the Panel.

**Part I**

Members returned to public session at to announce their decision.

**Deliberation and Reasons**

*Licensing Panel B - Thursday, 12th December, 2024*

Panel Members confirmed that they had been able to follow and understand the submissions and discussions in relation to the application for review of a premises licence in respect of Blue Garden.

In deliberation, the Panel noted the representations made by the Licensing Responsible Authority, and the information provided by both the Police and Licence Holder.

The Panel then considered all the options available to them and whether:

- a) Allow the licence to continue operating as before.
- b) Modify the conditions of the licence.
- c) Exclude a licensable activity from the scope of the licence.
- d) To remove the designated premises supervisor.
- e) To suspend the licence for a period not exceeding three months.
- f) To revoke the licence.

Panel Members agreed, having deliberated on all evidence available to them, that the incidents leading up to the review were very serious matters that breached the prevention of crime and disorder licensing objective. Members were of the view that despite the conditions suggested by the Police and those offered by the licence holder it would not be possible to:

- a) Allow the licence to continue operating as before.
- b) Modify the conditions of the licence.
- c) Exclude a licensable activity from the scope of the licence.
- d) To remove the designated premises supervisor.
- e) To suspend the licence for a period not exceeding three months.

Further Panel Members were not confident that the Premises Licence Holder was able to uphold the licensing objectives or prevent any further crime and disorder at the premises.

The Panel also reviewed the interim steps taken at the summary review hearing that took place on 7 November 2024 when the Panel resolved to suspend the premises licence. Having regard to the evidence presented before them today Panel Members were minded to vary the interim steps to overturn the suspension and impose that the premises licence be revoked.

Therefore, it was

**RESOLVED –**

- i) THAT the premises licence in respect of Blue Garden be revoked pursuant to Section 53 of the Licensing Act 2003; and

*Licensing Panel B - Thursday, 12th December, 2024*

- ii) THAT the interim steps to suspend the premises licence imposed on 7 November 2024 to vary the interim steps to overturn the suspension and impose that the premises licence be revoked.

**9. ANY OTHER BUSINESS THAT THE CHAIR DECIDES TO TAKE AS URGENT**

There was none.
