

Resources and Corporate Performance Scrutiny Committee action tracker 2022/ 2023

| Meeting Date | Item | Action | Action by | Status |
|--------------|------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 18 July 2022 | CORPORATE PERFORMANCE REPORT QUARTER 4/END OF YEAR 2021-22 | Concerned with the recent spike in positive COVID-19 cases, a Member asked whether Camden were replenishing stock of COVID-19 tests for staff. The Executive Director said that he would need to come back with a confirmed answer but tests were available for frontline staff. | The Executive Director Corporate Services | Camden is no longer supplied COVID-19 tests by central government. We still hold a supply of tests and these are available for frontline services and targeted to staff who work with our more vulnerable residents. |
| | | Replying to a question about the purchasing of energy requirements, the Executive Director said Camden were unable to purchase energy requirements all at once and would bring the committee longer briefing after engaging with energy procurement consultants. | The Executive Director Corporate Services | Completed – a report on energy procurement came to the Committee as part of the November agenda |
| | | A member asked a question in relation to the strategy around leisure facilities, the Executive Director said that leisure facilities sits within the remit of the Executive Director Supporting Communities so he would go to them to provide an update. | The Executive Director Corporate Services and the Executive Director | The Executive Director Supporting Communities has been asked to provide an update to the Committee |

| | | | | |
|--|----------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|----------------------------------------------------------------------------|
| | | | Supporting Communities | |
| | 2022/23 UPDATE ON THE COUNCIL'S MEDIUM TERM FINANCIAL POSITION | Members asked if they could be given information on high, low and medium financial forecasts in more granularity. | The Head of Finance, Corporate Services | Completed – a briefing has been sent to Committee Members |
| | WORK PROGRAMME 2022/23 | Members asked that the following be added to the work programme: <ul style="list-style-type: none"> • Communicating with diverse communities and changes to Council contact systems. • The Cabinet Member response to the Community Investment Programme Scrutiny Panel. • An update on the Camden Green Bond. | The Head of Corporate Strategy | Completed – these have been added to the Forward Plan for the Committee |
| | | Members asked if the Chalcots settlement would be able to come to the Committee. They recognised it might be challenging due to the legal sensitivity of the settlement. The Executive director Corporate Services questioned whether this would be a topic that fell within the remit of the Resources and Corporate Performance Committee. He said he would need to consult the Borough Solicitor for a legal response. | The Head of Corporate Strategy | Completed - The Borough Solicitor has provided advice on this to the Chair |

| | | | | |
|------------------------|----------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | | A Member asked if the performance of strategic partners and partnerships could be quantified more in reports so the success of them could be gauged. | The Head of Corporate Strategy | This will be addressed in an update to the Committee on We Make Camden activity |
| 6 September 2022 | BUSINESS RATES - RISKS AND CHALLENGES | The Director of Customer Services agreed to analyse the current financial risks to the hospitality sector in the borough. | The Director of Customer Services | The Director of Customer Services is preparing a briefing that will be shared with the committee. |
| | CAMDEN'S COMMUNITY INVESTMENT PROGRAMME: FUTURE STRATEGY | It was confirmed by officers there were no plans to consult with DMCs. Officers confirmed they would review options to involve DMCs in the CIP process. | The Director of Development | CIP consults widely with residents, local businesses and stakeholders. CIP presentations and reports have been taken to DMCs and DMCs can request further attendance in the future. |
| | WORK PROGRAMME 2022/23 | A Member expressed interest in establishing a scrutiny panel themed on customer contracts. It was confirmed that officers would outline the process of setting up a scrutiny panel. | The Head of Corporate Strategy | Complete – information on establishing a scrutiny panel has been communicated to the Committee Members |

| | | | | |
|------------------------|----------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------|------------------------------------------------------------------------------------------|
| 12 December 2022 | COUNCIL TAX SUPPORT 2023/2024 | Officers agreed to circulate a demographic breakdown of Council Tax reduction by ward | Head of Council Tax, Business Rates, and Benefits | Complete – demographic breakdown by ward has been sent to Committee Services |
| | LONDON BOROUGH OF CAMDEN ANNUAL COMPLAINTS REPORT 2021/2022 | Officers agreed to send the Committee a breakdown of service areas in which stage 2 complaints were upheld | Service Manager – Business Support | |
