Dear Rebecca

I write to confirm my objection to the licensing hours extension on the above.

Unfortunately, I cannot make the committee meeting Thursday evening, but would like this objection to be placed before the committee.

Residents are currently being disturbed by noise and nuisance from the queue's and late night dispersal from these premises. Despite, some efforts by the venues to 'assist patrons leaving quietly' this in practice is impossible and considerable disturbance has already been registered. Besides patrons on foot, Denmark Street and surrounding become a car park for large hi-end vehicles that park on the pavements, apparently undeterred by Camden's parking regime.

It is unsatisfactory at this stage to extend opening hours. The Council were aware of the potential issues these licensed premises were likely to cause when first permitted, and experience has shown with copious evidence from neighbours that our fears have materialised. To give later hours will not be in the public, or neighbours interest and cause harm to the living conditions and quality of life for many residents.

I urge the Licensing Committee to refuse this application.

Best
Sue
