Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

- a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
 - Recorded Music: no licence permission is required for:
 - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
 - Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.

 - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
4. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
5. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

6. For example (but not exclusively), where the activity will occur on additional days during the summer months.
7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
10. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
11. Please list here steps you will take to promote all four licensing objectives together.
12. The application form must be signed.
13. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
14. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.
15. This is the address which we shall use to correspond with you about this application.

As you can see from the below email – an agreement with police has been reached regarding the above application to vary their hours.

Can you please update their licence application accordingly and amend their hours to

Licensing Act 2003

**Re: PAPA JOHNS 51A CAMDEN HIGH STREET, LONDON NW1 7JH PREM LIC
 \1545**

LICENSING AUTHORITY REPRESENTATION

This representation is made by the Licensing Authority, and it relates to the following licensing objectives: -

- Prevention of public nuisance

The Premises and Summary of Application

The application is to vary a premises licence for the above premises by extending the hours for licensable activities and to include a condition to the premises licence.

This premises does not wish to supply alcohol but only wish to provide delivery only service after 02:00 every day which would technically make it a 24-hour premises since a licence is not needed before 23pm and after 05:00am.

The premises is asking for the following: -

Provision of late-night refreshment

Monday to Sunday 23:00 – 05:00

Operational Hours of the premises

Monday to Sunday 00:00 – 24:00 (24 hours, 7 days a week)

Framework Hours – Pages 36 of The Licensing Policy

The operating hours are outside the framework hours which are: -

On- Licence:

- Monday to Thursday 1000 hours until 2330 hours
- Friday and Saturday 1000 hours until midnight

- Sunday 1100 hours until 2230 hours

Off- Licence:

- Monday to Saturday 0800 hours until 2300 hours
- Sunday 1000 hours until 2230 hours

Cumulative Impact Areas

The premises is situated in the Camden Town Cumulative Impact Area, where there is a presumption to refuse all new and variation applications in its entirety, as set out in Chapter 6 of the Licensing Policy (Cumulative Impact Policies). While this presumption is rebuttable, this is only in exceptional circumstances where the applicant has successfully demonstrated that the granting of their application would not contribute or exacerbate the existing impact of licensed premises in that area.

Complaints

A check of the council's record in the past 2 years shows that there's been no complaints regarding the premises.

Conclusion

Whilst aware of the fact that this premises would be in the main a 24-hour premises, and there is the likelihood that it may attract revellers leaving other premises, it is mainly food led and the applicant has provided a condition that "The premises shall close to the public after 02:00 and will then operate solely as a delivery service until 05:00". That makes it very similar to the same type of premises of the same name currently operating at Farringdon.

This reduces the risk of it being a gathering point for other late-night visitors.

However, the premises has not identified how they intend to ensure that waste from their operations would not be a source of nuisance to residents or how they intend to manage delivery vehicles and staff in the early hours of the morning such that they do not create a noise disturbance and engage with the licensing objective the prevention of public nuisance.

To this extent, I would also ask that should the panel be minded to grant the variation to the premises licence, the following conditions be imposed.

- The premises to sign up for the "Ask for Angela" scheme and that this should be done before they begin operations.
- That suitable and sufficient refuse receptacles be provided to such that all waste and refuse produced by the business in the course of its operation, is collected, properly stored and disposed off.

Yours sincerely

Esther Jones

Details of representation

The premises is in the cumulative impact area and whilst on the High Street, there are significant residential homes above the retail. The intention appears to be to operate 24/7 delivery service which will cause noise nuisance from motorised vehicles, operatives on phones and potentially the restaurant extract. The deliveries are likely to take vehicles into residential streets and cause noise disturbance. If approved this licence

variation will add to the cumulative impact in the area. The applicant has not even offered any mitigating measures.

Subject: RE: 116595: Papa Johns Pizza Camden High Street PREM-LIC/1545

Hi Sarah,
Having reviewed the in force licence and the proposals we remain not satisfied.

Extending the hours of operation and deliveries will most certainly add to the cumulative impact in the area.

Some conditions have been dropped from the in force licence and I'm afraid public nuisance is not mitigated in the current proposal.

Best Kate

Subject: 116595: Papa Johns Pizza Camden High Street PREM-LIC/1545

Dear Kate,

Thank you for your attached representation for Papa Johns Pizza Camden High Street.

I can confirm that there has been some mediation and amendments to this application from both the Police and Licensing Responsible Authority

The application is now to vary their hours;

- Until 2am for collections 7 days a week and,
- Until 3am for deliveries 7 days a week

This is to include two additional conditions;

- The premises to sign up for the "Ask for Angela" scheme and that this should be done before they begin operations.
- That suitable and sufficient refuse receptacles be provided to such that all waste and refuse produced by the business in the course of its operation, is collected, properly stored and disposed of.

Please confirm if this now satisfies your concerns and if you would like to withdraw your representation?

Kind Regards

Sarah Williams

Section 1: Background comments of the Borough Solicitor

- 1.1 The purpose of Camden's Statement of Licensing Policy is to make it clear to applicants that wider considerations will be taken into account when determining applications. It is intended to guide the Licensing Panel when considering licence applications. However, the Licensing Panel must always consider each application on its own merits and allow exceptions to the normal policy where the circumstances of the application justify allowing an exception. The burden is on the applicant to show that they comply with the policy.
- 1.2 Members should only address those matters that have formed the subject matter of relevant representations. Matters that arise that are not the subject of relevant representations fall outside the function that the Panel is exercising when it holds a hearing
- 1.3 Members must determine, having regard for the evidence, whether granting the application for a premises licence will impact adversely on the policy criteria listed in paragraph 3 of this report.
- 1.4 In accordance with the provisions of Part 1 of Schedule 5 of the Act, where a Licensing Authority rejects in whole or in part, an application for a new premises licence, the applicant may appeal against the decision, to a magistrate's court within 21 days of being notified of the decision.
- 1.5 Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted, or that different or additional conditions should have been imposed on the licence, he may appeal against the decision to a magistrate's court within 21 days of being notified of the decision.
- 1.6 **The Human Rights Act 1998** incorporates the key articles of the European Convention on Human Rights into domestic law. Decisions on licensing matters are actions of a public authority and must be compatible with Convention rights. Consequently, Members of the Panel must be aware of the rights contained in the Convention (particularly those set out below) when making licensing decisions.

(a) Article 6: Right to a fair trial

In the determination of his civil rights and obligations, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.

(b) Article 8: Right to respect for private and family life

Everyone has a right to respect for his or her private life, his home and correspondence.

(c) Article 1 of the First Protocol: Protection of property

Every natural or legal person is entitled to the peaceful enjoyment of his possessions, including a licence. No one shall be deprived of his possession except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

(d) Article 10: Freedom of Expression

Everyone has the right to freedom of expression. This right shall include freedom to hold opinions and to receive and impart information and ideas without interference by public authority and regardless of frontiers. This Article shall not prevent States from requiring the licensing of broadcasting, television or cinema enterprises.

The exercise of these freedoms since it carries with it duties and responsibilities may be subject to such formalities, conditions, restrictions or penalties as are prescribed by law and are necessary in a democratic society, in the interests of national security, territorial integrity or public safety, for the prevention of disorder or crime, for the protection of health and morals, for the protection of the reputation or rights of others, for preventing the disclosure of information received in confidence, or for maintaining the authority and impartiality of the judiciary.

(e) Article 14: Prohibition of discrimination

The enjoyment of the rights and freedoms set forth in this Convention shall be secured without discrimination on any ground such as sex, race, colour, language, religion, political or other opinion, national or social origin, association with a national minority, property, birth, or other status.

- 1.7 When formulating policy local authorities must have regard to the **Equality Act 2010**. The Act provides protection from discrimination in respect of certain protected characteristics, namely: age, disability, gender reassignment, pregnancy and maternity, race, religion or beliefs and sex and sexual orientation. It places the Council under a legal duty to have due regard to the advancement of equality in the exercise of its powers including licensing powers. Members of the panel must be mindful of this duty when determining all licensing applications.

The section 149 Public Sector Equality Duty

- (1) A public authority must, in the exercise of its functions, have due regard to the need to—
- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

(2) A person who is not a public authority but who exercises public functions must, in the exercise of those functions, have due regard to the matters mentioned in subsection (1).

(3) Having due regard to the need to advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

(a) remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;

(b) take steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of persons who do not share it;

(c) encourage persons who share a relevant protected characteristic to participate in public life or in any other activity in which participation by such persons is disproportionately low.

(4) The steps involved in meeting the needs of disabled persons that are different from the needs of persons who are not disabled include, in particular, steps to take account of disabled persons' disabilities.

(5) Having due regard to the need to foster good relations between persons who share a relevant protected characteristic and persons who do not share it involves having due regard, in particular, to the need to—

- (a) tackle prejudice, and
- (b) promote understanding.

(6) Compliance with the duties in this section may involve treating some persons more favourably than others; but that is not to be taken as permitting conduct that would otherwise be prohibited by or under this Act.

1.8 In determining any application, the Council must comply with the public sector equality duty in s.149 of the 2010 Act. This is a duty to have regard to the need to achieve the statutory goals of s.149, rather than to achieve a particular result. The s149 duty sits alongside and does not override statutory requirements in relation to determining licensing applications, including the duty to consider all evidence on its merits and the legislative criteria listed at paragraphs 3 & 4.

1.9 When members have before them representations or other material on issues relevant to s149, even outside the scope of “standard” licensing considerations such material must still be specifically assessed in the context of s149. However, because s149 creates a requirement to “have regard” the fact a matter raised is relevant to s149 will not automatically translate into a reason for refusing an application that would be sustainable in any subsequent appeal, given the legal requirement to determine applications in compliance with licensing legislation.

Section 2: Financial Comments

- 2.1 Following consideration there are no financial implications concerning this application. The Executive Director Corporate Services has been consulted in the preparation of this report and has no further comments to add.
