Dear Sarah and Vinothan,

Hope you are well,

Please see attached, the following which we would like to rely on at the hearing:

- Exchange of emails regarding the agreement reached with the Licensing Authority.
- Exchange of emails regarding the representation made by TRACT and the attempts to reach an agreement.

You will see that there is nothing in these that introduces anything new and these are emails that the relevant parties have seen/responded to.

The purpose of this is to provide some additional background for the Licensing Panel and to save time at the hearing.

I have copied in the relevant parties.

Kind regards

Walaiti

Dear Sarah,

Hope you are well.

Thank you for your email.

I can confirm that in addition to the reduced hours agreed with the Police, the following conditions suggested by Esther Jones are also agreed on the basis that the representation will be withdrawn:

- The premises to sign up for the "Ask for Angela" scheme and that this should be done before they begin operations.
- That suitable and sufficient refuse receptacles be provided to such that all waste and refuse produced by the business in the course of its operation, is collected, properly stored and disposed of.

I look forward to hearing from you.

Many thanks.

Kind regards

Walaiti

Hi Walaiti,

I'm afraid the later opening hours add to the cumulative impact. The later deliveries and delivery operatives coming and going also adds to the cumulative impact with noise.

Best Kate

Dear Sarah and Kate,

Thank you for your emails below.

Kate,

In an effort to work in partnership and hopefully resolve this matter by agreement, I would welcome the opportunity to discuss this matter and possible measures/amendments to address your concerns.

In the meantime, please rest assured none of the existing conditions are being dropped. This can be seen from the operating schedule which states the following "The existing conditions will remain on the premises licence."

I look forward to hearing from you.

Kind regards

Walaiti

Hi Sarah,
Having reviewed the in force licence and the proposals we remain not satisfied.

Extending the hours of operation and deliveries will most certainly add to the cumulative impact in the area.

Some conditions have been dropped from the in force licence and I'm afraid public nuisance is

not mitigated in the current proposal.

Best Kate

Dear Kate,

Thank you for your attached representation for Papa Johns Pizza Camden High Street.

I can confirm that there has been some mediation and amendments to this application from both the Police and Licensing Responsible Authority

The application is now to vary their hours;

- Until 2am for collections 7 days a week and,
- Until 3am for deliveries 7 days a week

This is to include two additional conditions;

- The premises to sign up for the "Ask for Angela" scheme and that this should be done before they begin operations.
- That suitable and sufficient refuse receptacles be provided to such that all waste and refuse produced by the business in the course of its operation, is collected, properly stored and disposed of.

Please confirm if this now satisfies your concerns and if you would like to withdraw your representation?

Kind Regards
