## **6. MINUTES OF THE PREVIOUS MEETING**

Consideration was given to the minutes of the meeting held on 9<sup>th</sup> May 2023.

With regard to the minute on the Edith Neville Determination, it was noted that about 90% of the students at that school were from Muslim backgrounds and a question was asked about whether there was provision in community schools for Muslim pupils to pray. Claire Clinton, the Professional Advisor, said she would contact schools to see if this was the case.

**ACTION: Professional Advisor to SACRE**

### **RESOLVED –**

THAT the minutes of the meeting held on 9<sup>th</sup> May 2023 be approved and signed as a correct record.

## **7. TERMS OF REFERENCE**

Consideration was given to the terms of reference. It was noted that Paragraph 5.5 stated that the annual report would be received at the autumn meeting.

The Professional Advisor said this was not possible, due to the autumn meeting being fairly early in the term and because of the time needed to gather and analyse information about exam results.

### **RESOLVED –**

THAT the terms of reference be noted.

## **8. MEMBERSHIP OF CAMDEN SACRE**

The meeting was informed that three new teacher members (Rose O'Brien, Sinead Costelloe and Emily Knowles) had been appointed to Panel C by their trade union (the NEU).

The Professional Advisor to SACRE announced she was in the process of finding Hindu and Sikh representatives.

### **RESOLVED –**

THAT the membership list and the membership update be noted.

## **9. DETERMINATIONS**

Consideration was given to the list of schools with and without Determinations.

The Professional Advisor and the Clerk would write to Eleanor Palmer School early in 2024 to let them know that their Determination would expire in June 2024.

**ACTION: Professional Advisor and Clerk**

### **RESOLVED –**

THAT the list of schools with and without Determinations be noted.

## **10. FAITH FORUM PRESENTATION**

Members received a presentation from Halima Khanom, a Council employee working as a Community Partner, on the Faith Forum.

She highlighted that the Council had developed the Faith Forum to connect with a wider group of people than the Faith Leaders Forum. The Council was trying to re-activate dormant relationships which had existed between some people of faith and the council as an institution. They had been working on the response to the refugee response and involving faith communities in helping new arrivals. Ms Khanom added that she and her colleagues were also helping faith groups apply for grants for their community work. There was also interest in the education space, and ensuring that people knew about the background and the symbolism of each other's festivals.

The recent violence in Israel and the Gaza Strip had led to more of a focus on reassurance work, but the service intended to move back towards longer term plans.

People who had queries about the Faith Forum were encouraged to contact the team on [faith@camden.gov.uk](mailto:faith@camden.gov.uk).

**RESOLVED –**

THAT the presentation be noted.

**11. RE HUBS UPDATE**

Claire Clinton, the Professional Advisor, introduced members to the RE Hubs project and its website ([Explore RE in your Region \(re-hubs.uk\)](https://re-hubs.uk)).

She highlighted that they accredited speakers and places of worship for schools. So far, about 100 places of worship and 250 speakers had been accredited. RE hubs explained to them what they could and could not do in order to maintain accreditation (such as no proselytising).

She also explained that there was CPD (continuous professional development) available for teachers.

**RESOLVED -**

THAT the presentation be noted.

**12. NASACRE WEBINAR PROGRAMME FOR 2023-24**

Members noted the NASACRE webinar programme. There would be a regional meeting of NASACRE for chairs and vice-chairs of London SACREs on 8<sup>th</sup> November at 6.30pm.

The Professional Advisor highlighted that NASACRE offered free webinars to SACREs which paid a £50 annual fee. The clerk would liaise with NASACRE to check if Camden had paid this.

**ACTION: Clerk to SACRE**

**RESOLVED –**

THAT the programme be noted.

### **13. RE WORKFORCE DATA FOR CAMDEN SECONDARY SCHOOLS**

The Professional Advisor introduced the data from the Department for Education on teaching hours for RE and related subjects in Camden schools. She noted it was based on information schools provided to the DfE and so it was incomplete as some schools may not have completed the relevant questionnaires.

She noted that RE was a shortage subject and so there were bursaries available towards living expenses for student teachers who wished to become RE teachers.

Owen Rees said that schools with nil returns would be written to in order to clarify their RE arrangements.

**ACTION: Owen Rees (Camden Learning)**

**RESOLVED –**

THAT the statistics be noted.

### **14. DRAFT 2023-24 SACRE PRIORITIES**

The Professional Advisor spoke to the report on SACRE priorities for 2023-24. One of the key priorities had been to re-energise the primary and secondary RE networks, and it was through this that some of the new SACRE members had been recruited.

Owen Rees, Camden Learning, suggested that the Ramadan guidance would need to be re-published in advance of the start of Ramadan in 2024. The Professional Advisor said she would do so, and would issue a draft via email for members to comment on.

**ACTION: Professional Advisor**

**RESOLVED –**

THAT the report be noted.

**15. ANNUAL REPORT PROCESS**

The Professional Advisor stated that data on exam results would be available in November. Once this was available, a draft report could be produced and it would be sent to the Chair and then to other members.

**16. ANY OTHER BUSINESS**

There was no other business.

The meeting ended at 7pm.
