

# Dartmouth Park Healthy Neighbourhood

Be part of improving your streets

## Have your say

Islington Council and Camden Council are working in partnership to create a Healthy Neighbourhood for the Dartmouth Park area. We want to make the area greener, healthier and more pleasant to spend time in while also making it easier to walk, wheel and cycle.

We've been listening to concerns raised by local people about streets and road safety in this area. We are undertaking this joint borough engagement to better understand those worries and what improvements we could make. The information that you provide will help us develop proposals that we'll share with you for comments early next year.

We'd then have a full public consultation on detailed proposals before a decision would be made on whether and how to proceed with the Healthy Neighbourhood scheme.

To share your ideas please leave a comment on our interactive map. For a paper version, get in touch with us through any of the details to the right or pick one up from the libraries we've listed.

## Find out more

We'll be holding the following events for you to find out more and share your views:

- **3 October 2023 6pm - 7pm:** Online event
- **12 October 2023 6pm - 7:30pm:** In person event
- **2 November 2023 6pm - 7:30pm:** In person event

To have your say on the interactive map, register for to come to an event and for more details on the project visit the website below or scan the QR code overleaf.

**[dartmouthpark.commonplace.is](https://dartmouthpark.commonplace.is)**

**Share your views by the 5 November 2023.**

If you prefer you can email your ideas to us via **[safetravel@camden.gov.uk](mailto:safetravel@camden.gov.uk)**

Paper copies are available from Highgate Library (N19 5DH) and Archway Library (N19 5PH). To register for any of the events or for information in another language or format like large print call us on 020 7974 4444.

We'll be holding another event in the Kentish Town North area on

**7 November 2023 6pm - 7:30pm.**

To register for this in person event scan the QR code below, call us on the details below or visit our website where you can also share your ideas:

**[dartmouthpark.commonplace.is](https://dartmouthpark.commonplace.is)**

Our online map closes for comments **5 November 2023**. If you prefer you can email your ideas to [safetravel@camden.gov.uk](mailto:safetravel@camden.gov.uk)

If you would like this information in any other format (like large print or another language) or for a paper form call us on 020 7974 4444.

## Find out more and have your say

To see our initial proposals for the Dartmouth Park Area Healthy Neighbourhood:

- Visit: [dartmouthpark.commonplace.is](https://dartmouthpark.commonplace.is)
- Scan the QR code
- Collect a paper copy from: Highgate Library (N19 5DH) or Archway Library (N19 5PH) or call us on 020 7974 4444

Please share your feedback by 11.59pm on Sunday 18 August 2024. You can also share your views by coming to an event:

- **Online event via Zoom: Wednesday 17 July 2024 6pm – 7.00pm.** Join us to hear about the Dartmouth Park Area Healthy Neighbourhood. We will present the proposals and there will be an opportunity to ask questions. Please register for this event on our website using the link or QR code above.
- **In-person events: Tuesday 23 July 2024 6pm – 7.30pm and Wednesday 24 July 2024 6pm – 7.30pm.** Please register for these events on our website using the link or QR code above. Please note that as capacity for this event will be limited, priority will be given to residents of the Dartmouth Park project area and neighbouring streets first.

## Complete a survey:

Fill in our survey to have your say:

- Visit our website using the link or QR code above.
- Complete a paper copy of the survey by collecting one from either: Highgate Library (N19 5DH) or Archway Library (N19 5PH) or call us on 020 7974 4444.

## Project timeline

## Next steps for the Dartmouth Park Area Healthy Neighbourhood

We will use the feedback received on these initial proposals to help shape the final proposals for the Dartmouth Park Area Healthy Neighbourhood.

**We will then hold a public consultation** before any scheme is considered for delivery.

## Get in touch

If you have any questions about the project, or you need this information in another language, or reading format such as braille, large print, or Easy Read, you can:

- **Email:** [safetravel@camden.gov.uk](mailto:safetravel@camden.gov.uk)
- **Call:** 020 7974 4444
- **Write to:** Freepost LBC TRANSPORT STRATEGY

# Dartmouth Park Area Healthy Neighbourhood

## Co-design: help us create greener, healthier streets

## Monday 8 July to Sunday 18 August 2024

Dear residents, businesses and stakeholders,

We are working to create greener, healthier streets in the Dartmouth Park area, and we want to hear your ideas, insights, and views on how we can do so.

Between September and November 2023, we asked for your thoughts on how we can make the area greener, healthier and more pleasant to spend time in while also making it easier to walk, wheel and cycle. Based on what you have told us, we are now sharing some initial proposals for the area.

Now we want to hear your feedback on these initial proposals. Based on what you tell us at this stage, we will create final designs for the neighbourhood which will be subject to consultation at a later date.

The initial proposals that we have created are based on your feedback, and include ideas that will bring communities together, improve air quality, and make the area greener, healthier, and easier to walk around, cycle, scoot, and use buggies and wheelchairs in.

**Local people have told us that:**

- You would like to see measures to restrict through-traffic movement and calm traffic; and
- You would like to see measures that support walking, wheeling and cycling in the area.

You also shared concerns about:

- Local traffic volumes
- Fast moving traffic in the area
- Local air quality

The healthy neighbourhood covers the area between Highgate Hill, Junction Road, Fortess Road, Highgate Road, Highgate West Hill and Highgate High Street on the map below:

**Our proposals for the Dartmouth Park Area Healthy Neighbourhood**

Our proposals include:

- Introducing more plants and trees across the area and where possible features like rain gardens to support drainage.
- Improvements to support walking and accessibility.
- Improvements to the look and feel of streets.
- Changes to reduce through-traffic on local streets.
- Improving bus and cycling routes.

Your feedback and input at this stage will help to shape the improvements proposed for the Dartmouth Park Area Healthy Neighbourhood.

**Please turn over to find out how you can see our initial proposals and have your say.**

Example of improved public space with seating and cycle parking

Example of rain garden and planting

Example of pavement widening with street planting and trees
