

Title: Hampstead DMC December Budget Report

Designation (Information/Discussion): Discussion Report

Recommendations: The DMC is asked to note the report and approve any new bids it considers appropriate.

Report Summary: This report outlines the spend relating to the revenue budget for 2024/25

1. Minor & Major Revenue Works Budget 2024/2025

- 1.1 The minor revenue and major works budget for 2024/2025 is **£156,610.00**. This budget is the consolidated total of the former minor works and major revenue works budgets.
- 1.2 All TRAs are encouraged to submit their bids as early as possible to allow enough time for assessment prior to DMC consideration. All expenditure must occur within the current financial year (2024/2025), unless it is clear that an individual scheme meets the capital criteria and needs to be categorised as such. To avoid capitalisation (carry forward) DMCs are encouraged to commit their in-year budget by their December meeting.
- 1.3 In the normal course of events, unspent budget cannot be carried forward from one year to the next. These rules are put in place by the Finance Department to ensure good governance of the Council's resources and meet financial regulations.
- 1.4 In exceptional circumstances money can be spent on specific projects using budget from the previous year. These must be decided on a case by case basis with the Finance Department. Any TRA seeking carry-over of funding should submit their case for carry-over of funding to the Ward Housing Manager who will refer this to the Finance Department for consideration.
- 1.5 TRAs are advised to use the Special Projects Grant (SPG) for social activities such as trips and community events. The SPG has a £750 limit, although funds can be requested twice within a 12-month period.
- 1.6 TRAs should continue to report back on all underspends and overspends, which will be noted in subsequent reports. Overspends are to be approved at DMC and underspends to be returned to the budget in sufficient time to allow other TRAs to use the monies within the financial year.

2. Late Submissions

2.1 All bids should be discussed prior to being presenting to the DMC, with Tenant Participation Officers (***please refer to the application guidance***). This will ensure that the correct information regarding costs, resident consultation and input by other services/departments, if necessary, will be presented. It has therefore been agreed that no late and/or verbal bids can be tabled on the day but will be considered at the following meeting.

3. Bid Criteria

3.1 TRAs should refer to the application guidance that outline the process, eligibility and what funding can be applied for.

4. Bids for financial year 2024/2025

4.1 The table below outlines the in-year budget and spend to date

Total budget for the financial year	£156,610.00
