AGENDA

NEIGHBOURHOODS OF THE FUTURE HEALTHY SCHOOLS STREETS SCHEME (SC/2019/55)

Report of the Director of Regeneration and Planning

This report seeks approval for the implementation of a Healthy School Street (HSS) zone around five schools. The timed road closures would incorporate Maresfield Gardens, Netherhall Gardens, Nutley Terrace, and Netherhall Way. The HSS scheme contributes to the delivery of Our Camden Plan by making it easier for people to walk and cycle. Additionally it contributes to one of the Camden Climate Citizens' Assembly recommendations of more car free zones in the borough.

The report is coming to the Cabinet Member as it incorporates several roads and school sites. It is part of the Neighbourhoods of the Future Project, which is funded by Transport for London and London Councils.

Issued on: 6th January 2020
