AGENDA

BUILDING SAFETY FUND – PROCUREMENT OF A CONTRACTOR (SC/2020/97)

Report of the Director of Property Management

This report seeks approval to progress with the procurement of a contractor that can undertake the replacement of the external wall insulation on 11 blocks at the Cromer Street estate that meet the criteria set out in the Building Safety Fund. The report is being submitted as an urgent item to the Leader of the Council as the procurement process needs to start during October 2020 to meet Government timescales for applications to the fund. These require applications with actual tendered costs to be submitted during December 2020, this to enable applications to be processed and grants awarded prior to the end of March 2021.
