2. Please describe any circumstances relating to the application for a Determination which may have changed since a previous Determination was agreed (if any).
The last time we applied we were a Junior School. We are now a primary School. Our religious demographic remains similar to the previous with approximately 44% of our children identifying as not having a religion.

3. Before making an application to review a Determination, the Governing Body must have been consulted. (Please provide minutes of the governing body meeting that considered this if it was considered at a meeting).

a) How did this take place?

The Governors were presented with the motion to apply for determination at a Governors meeting in November 2020. They were given a detailed account of determination and of the school's religious demographic (attached).

b) Views which Governors wished to convey to SACRE

Governors were in agreement with the school's decision to apply for renewal as they felt it reflected the school's religious demographic. They feel that the current policy on collective worship is one of the key factors parents consider when choosing the school for their child to attend

c) How have parents been consulted?

d) If YES describe the nature and outcome of this consultation

Parents were informed of our intention to apply for determination renewal in our weekly newsletter. They were invited to share their views with the school if they had any queries or protests regarding the application. The school have not had any queries or protestations from our parent body.

4. It is for the Headteacher to decide what form the alternative worship will take, although SACRE should be informed of the proposed arrangements. Please attach:

a) The school's policy on collective worship -

b) The school's plan for collective worship indicating:

i) organisational arrangements

ii) themes/topics featured in the collective worship programme

5. Who will be representing the school at the SACRE meeting when the application for renewal of the Determination is to be considered (if anyone)?

We will not be attending the meeting.
