Do not wait immediately outside the building – proceed to Bidborough Street (outside the Openreach building) and await further instructions.

MEETINGS IN CAMDEN

Agendas for public meetings are available in advance on the Council's website at www.camden.gov.uk. If you are interested in a particular item being considered at a meeting and you wish to speak (called making a deputation), please write to the Committee Officer listed on the front of the agenda. The deadline for deputation requests for this meeting is **5pm on Monday, 11 November 2024**. If your deputation request is accepted, the option to make your deputation remotely will be available.

The Council is allowed to discuss some items in private, although this does not happen often – any such items will be discussed at the end of the meeting and you will be asked to leave at this point. Any members of the public joining the meeting remotely will also be asked to leave.

Members of the public have a right to film, record or photograph public meetings for reporting purposes. This does not apply to any of the Council's meetings which are private or not open to the public. Laws on public order offences and defamation still apply, and you should exercise your rights with responsibility. Please respect the views of others when reporting from a meeting. You may be asked to stop filming, photographing or recording a meeting if the Chair feels that the activity is disrupting the meeting.

This meeting will be webcast and can be watched live or viewed for twelve months afterwards at www.camden.gov.uk/webcast. If you are attending a meeting but do not wish to appear on the webcast you are advised to sit in the public gallery.

If you have any views or questions about meetings at Camden Council please call Committee Services on 020 7974 1915.

Gender inclusive minutes: Camden seeks to write the minutes of its committees in a way that does not misgender individuals. If you are contributing to the meeting and you wish to let us know what your pronouns are, please contact the Committee Officer named on the front of this agenda. Otherwise, we will use job titles, full names or neutral terminology. We will not assume gender.

WEBCASTING NOTICE

This meeting will be broadcast live by the Council via www.camden.gov.uk/webcast. The whole of the meeting will be filmed and recorded, except where there are confidential or exempt items, and the footage will be on the Internet for at least a year. A copy of it will also be retained in accordance with the Council's data retention policy.

If you make a representation to the meeting you will be deemed by the Council to have consented to being filmed and to the possible use of those images and sound recordings for webcasting and/or training purposes.

The Council is obliged by law to allow members of the public to take their own recordings and images of this remote meeting. The Council will only seek to prevent this should it be undertaken in a disruptive or otherwise inappropriate manner.

The Council has a privacy notice and further details that you can see at www.camden.gov.uk/privacy. We also have a privacy notice that explains our use of webcasting data that you can see at www.camden.gov.uk/data-protection-privacy-and-cookies#webcasting

Report of the Cabinet Member for Planning and a Sustainable Camden

(Pages 15 -
176)

Transport plays an integral part in the lives and well-being of Camden residents and those who visit, work and study in the borough. Creating healthier, greener, safer streets and travel helps improve public health and the environment, and supports local businesses and a strong, sustainable and inclusive economy. Although significant challenges remain, we have made extensive progress in delivering safer, healthier streets and travel in Camden since the Camden Transport Strategy (CTS) was adopted in 2019. Camden is currently ranked 4th amongst all London Boroughs by the independent “Healthy Streets Scorecard” assessment.

This report updates Cabinet on where we are now in delivering the current Camden transport strategy including healthier, safer streets and transport across Camden, and uses that information, alongside prioritisation methodologies, stakeholder feedback and other considerations such as funding to propose the next CTS Delivery Plan for 2025/26 to 2027/28. It also seeks approval for proposals for TfL “Local Implementation Plan” (LIP) funding bid submissions, and for further Council Capital “Healthy Streets” funding to support the 3-year plan. In the new 3-year plan we have recommended 3 new “spotlight” areas: buses, car clubs and motorcycle safety, alongside an EQIA on the new Delivery Plan.

In line with previously approved transport strategy processes, each individual project within the proposed 3-year Delivery Plan is subject to scheme-by-scheme consultation and decision-making processes, equality considerations and funding availability. We will also consider how relevant projects within the programme contribute to our three overarching themes of public health, environment, and local economy.

9. ANY OTHER BUSINESS THAT THE CHAIR DECIDES TO TAKE AS URGENT

AGENDA ENDS

The date of the next meeting will be Wednesday, 11 December 2024 at 7.00 pm in Council Chamber, Town Hall, Judd Street, London WC1H 9JE.
